HABITAT FOR HUMANITY BUILD IS THIS WEDNESDAY!

The 30 Seconds to Mars build is almost upon us and we couldn't be more excited to get started. Thanks to everyone's support and participation, we were able to raise over \$10,000 for Habitat for Humanity. HFH is an amazing group of men and women and we are honored to be a part of their team. We look forward to meeting our fellow builders and getting to work. We will be sure to report back and let everyone know how it goes.

We also have to give credit to our family who have created and are involved with the Hope Builders' ECHELON HOUSE. If you want to be involved in "The House that The Echelon Built" click [here](#).

Many many many thanks to everyone for playing their part.

"The beginning is the most important part of the work." - Plato

*All carbon emissions caused or resulted from travel associated with the 30 Seconds to Mars auction for Habitat for Humanity will be offset with a purchase of green tags. To learn more about green tags or to offset your own travel or carbon-emitting activities, [click here](#).
